PARADE ORDERS

OVERVIEW

The parade will form up on Wellington Street, and at 1020 hrs, will **STEP OFF**. The parade will move east onto Wellington Street to the west entrance of Parliament Hill, proceed to the West Block, turn left then right onto the front lawn of Parliament Hill. The Service will be conducted followed by a march past of the headdress of the fallen officers. The parade will continue to the West Block, turn left to the west sloped driveway, turn right and then proceed up behind the West Block and break off.

PARKING

Participants may park at the Supreme Court Building to the west of the main building, off of Lyon and Wellington Streets. (No vehicles are permitted on "The Hill".)

PARADE

Parade Commander Sgt. Pat Malone and assistants will form the parade into five companies with a pipe band and a colour party leading each company (see note). As a result of the outstanding turn out which is growing every year we will form each company into four ranks.

The pipe bands and colour parties will form up before the band warms up. The form up will be **between 09:00 and 10:00 hours**; with unit commanders being positioned in front of their respective police service. The senior officer shall also be positioned in front of their respective units.

Units will form up in four ranks facing east. All companies will be at close order dress prior to moving off. At 1020 hours the Parade Commander will call the parade to "**ATTENTION**", and "**QUICK MARCH**". 'One (1)' Company will follow the Honour guard assigned to the officers carrying the Hats. The remainder of the Companies will stand fast until advised to step off by their Parade Marshall.

Once on "The Hill" each company will follow their band and form up in a line. The bands will move off to form in a mass band formation along the east driveway. The **Company Commanders will give the "HALT" and "LEFT TURN"**. The Ottawa Police will provide marshals to ensure each company stays in their designated location and will provide an escort and traffic control for the parade.

MOTORCYCLES

Motorcycles will line up on Wellington Street at Bank and proceed to the Hill, East Block Road by 1000 hours. Park facing West Block on the west side of the East Block Road.
