ELECTRONIC RECYCLING ASSOCIATION

PARTNER WITH ERA FOR A FREE DATA SECURITY & HARD DRIVE SHREDDING EVENT DURING FRAUD PREVENTION MONTH!

In honor of Fraud Prevention Month (FPM) the ERA is offering a day of ***Free Data Destruction and Electronics Recycling.***

Abbotsford Police Hold Tech-Shredding Event to Raise Fraud Awareness > *Click to view*

Fraud Prevention Month is a month-long crime prevention initiative aimed at educating and informing consumers and communities on how to recognize, report and stop fraud.

The **Electronic Recycling Association (ERA)** would like to offer a day of **FREE** electronics shredding and recycling. The ERA will bring a portable hard drive shredder to allow law enforcement agencies and the public to shred their personal devices and recycle electronics free of charge.

During this event, we will securely shred items such as hard drives, phones, tapes, and other compact devices that contain sensitive data. Our objective is to emphasize the significance of responsibly disposing of unwanted and outdated electronics to prevent their data from falling into the wrong hands. This day serves as an opportunity to educate the public on the proper handling of electronics while addressing any fraud-related queries they may have.

BOOK YOUR EVENT TODAY!
