Beyond the Status Quo: New Ways of Delivering Public Safety Technology

Key Focus Areas:

- Embracing innovation and intentional change while building public trust through transparency and responsible adoption
- Advancing interoperability by fostering cross-disciplinary and cross-jurisdictional collaboration
- Highlighting real-world examples that break down silos and accelerate progress
- Addressing the critical need for cyber resilience and the tools required to safeguard public safety infrastructure
- Equipping senior leaders to guide ethical, inclusive, and effective digital transformation
- Leveraging data and intelligence to support evidence-based decision-making and responsible AI deployment
- Ensuring participants understand how technology can improve front-line operational efficiency, streamline processes, and optimize resource allocation within their respective agencies.

CORPORATE PARTNERS

By being a partner of the Information and Technology Summit, you are exposing your products and services to law enforcement agencies from across Canada, the United States and Internationally!

There is no better way to put your company's strength, commitment, and corporate identity in the spotlight of the law enforcement community than by partnering with the **2026 Information and Technology Summit**. Corporate Partners will reach a large audience of senior police officers and IT professionals within the policing community. As a Corporate Partner you will have an ideal platform to position your company and an industry leader.

If you would like to become a Corporate Partner, please contact:

Taylor Piovesan
CACP Event Coordinator
