Canadian Association of Chiefs of Police Human Resources & Learning Committee 2017-2018 Annual Report

A WORD FROM THE CO-CHAIRS

2017/18 saw average membership movement on the Human Resources and Learning Committee (HRLC).

Committee changes since August 2017 are as follows:

- Chief HR Officer Lynne Campbell (Ottawa Police) replacing Superintendent Michelle Rathwell.
- Deputy Chief Ray Robitaille (Calgary Police) replacing Deputy Chief Bob Ritchie.
- Acting Director Paul Hebert (Ontario Police College) replacing Director Bruce Herridge.
- Executive Director Forrest Spencer (Atlantic Police Academy) replacing Executive Director Edgar MacLeod.

During last few years the committee focused on workplace wellness and has sponsored three wellness conferences since 2011. The last being in February 2017 in Gatineau, Quebec. This conference was the *The Mental Health of Police Personnel: What We Know and What We Need to Know and Do*. This last conference came about after hosting a highly successful *Conference on Mental Readiness: Strategies for Psychological Health & Safety in Police Organizations*. That conference took place in February 2015 in Mississauga, Ontario and it followed the first conference that was held in September 2011.

In 2016 the Committee endorsed the concept of having a “police psychologists sub-committee” that supports the work of the committee as it pertains to wellness. This proposal was approved by the CACP Board of Directors in March 2017 and the sub-committee started taking form in the latter half of 2017. The Psychologists Sub-Committee will give the committee much needed advice and expertise in relation to the ongoing discussions surrounding wellness and credible research to support wellness strategies.

In 2017 the Committee also endorsed the concept of having a second sub-committee to focus on learning and training. This concept was approved by the CACP Board of Directors in March 2018 and an inaugural tele-conference took place at the end of May 2018 with a number of potential sub-committee members. The new sub-committee will start meeting regularly starting in the fall of 2018.

In addition to the implementation of the two sub-committees, the Co-Chairs are also members of the Public Safety Steering Committee (PSSC) of the Canadian Institute for Public Safety Research and Treatment (CIPSRT). The PSSC has been involved is strongly advocating for Canadian research to inform best practices in wellness and in the treatment of operational stress injuries.

Canadian Association of Chiefs of Police Human Resources & Learning Committee 2017-2018 Annual Report

Several committee members continue to have strong linkages to police training and academic institutions and also attend Canadian Association of Police Educators (CAPE) and Canadian Police Knowledge Network (CPKN) meetings and events. These links to external partners provide the committee with exposure and timely information on police training and education initiatives.

The Human Resources and Learning Committee is currently comprised of 23 members and three alternates, with good regional representation.

As Co-Chairs we wish to extend our appreciation to our committee members for their continued commitment, dedication and efforts over the past year. Finally we would like to thank the CACP Executive and its administrative staff for their ongoing support and guidance. We look forward to continuing to assist the greater police community through the identification of contemporary HR and Training initiatives, engagement with key stakeholders, and the timely provision of relevant information and strategies.
