- Annual base subscription:** \$1,500 + \$50 per individual to be given access to RF Connect
- I am an Academic Researcher**
- I am a Graduate Student:** Your subscription form should be accompanied by a brief written description of the reason for wanting a subscription and the contact information for your supervisor at your post-secondary institution.

List of RF Connect subscribers from your agency

RF Connect is a subscription-based information and networking portal for the Canadian policing community. For this reason, each individual to be identified as an RF Connect subscriber within your agency will require a unique username and password to log in and access the portal.

For this reason, you are asked to complete a standard Excel spreadsheet¹ containing the following information for each individual:

- Column A: Email address
- Column B: First Name
- Column C: Last Name
- Column D: Title/Rank
- Column E: Company Name
- Column F: City
- Column G: Province

Please submit this Excel spreadsheet along with your completed *RF Connect Registration Form*, and confirmation of credentials as an Academic Researcher (if applicable), and forward them to admin@cacp.ca.

¹ The use of an Excel spreadsheet is required to be able to easily, quickly, and effectively transfer your subscriber information to the CACP's RF Connect database.
